InfoDive[®] makes it easy to do more with less

InfoDive – a powerful business intelligence solution – makes managing your practice easier than ever. By providing actionable insights, InfoDive empowers practices to make informed decisions that drive better business performance.

With InfoDive, practices gain access to otherwise untapped data. Knowledge is power, and InfoDive offers multiple ways to acquire important insights on data and trends that can be utilized to support a practice's changes and growth.

With InfoDive, you'll secure access to:

- Personalized insights pulled from over 150 productivity and financial metrics
- Important spreadsheets comparing national benchmarks
- Comprehensive reports to analyze payer reimbursement
- Crucial data allowing you to easily evaluate net costs recovery
- Essential data identifying when a claim is paid below cost

InfoDive provides immediate access to numerous pre-built reports while also allowing you to use the ad-hoc reporting feature to build your own.

It's time to secure essential insights and utilize that unparalleled knowledge to make

better business decisions.
