Drive better business performance with InfoDive®

InfoDive is a powerful business intelligence tool that gives you the detailed data you need to make informed decisions about running a practice. IntrinsicQ Specialty Solutions' business intelligence solution integrates data from multiple disparate systems and delivers comprehensive analytics within an easy-to-use web-based platform.

As an InfoDive user, you **gain access to these important insights and features:**

- Monitor a practice's performance using over 200 specialty-specific benchmarks
- Optimize revenue cycle processes and conduct payer audits
- Evaluate net cost recovery for Buy and Bill products
- Track shifts in drug utilization and net cost recovery
- **Quickly spot inaccurate or missed drug billing using GapFinder®**
- Easily consolidate and normalize data from multiple practices or divisions for enterprise views
- Profile new patients, referrals, and patient demographics to target marketing efforts

InfoDive empowers you to gain insights to **make better business decisions**. Set up a
demo today.
