Dear Ashley,

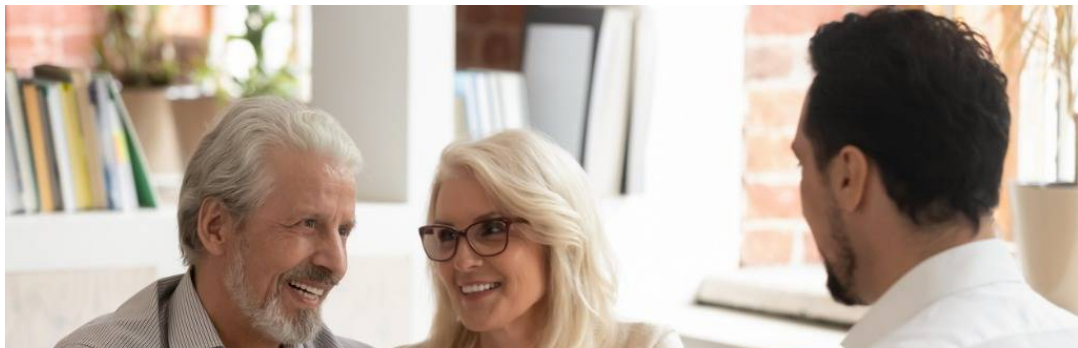

You want to connect your patients with the latest and most advanced therapies available. So do we.

That's why it's time to join AdvancelQ Network.

[Join AdvancelQ Network for free](#)

AdvancelQ Network is helping to shape the future of medicine by providing oncology practices with access to advanced clinical trials, robust research studies, and additional revenue streams.

Did we mention it's free and non-exclusive?

Five key reasons joining AdvancelQ Network is right for your practice:

1. **No costs** or hidden fees -- ever
2. Access to the **latest therapies** in clinical development
3. **Dedicated research liaisons** that support your practice in expediting site startup
4. **Easy enrollment** with a streamlined process
5. **Non-exclusive** with the option to participate in studies outside of the AdvancelQ Network
